

## Computer Friendly Coffee Morning

### Questions, questions.....

What is Computer Friendly?  
Who takes the courses?  
Do I need previous experience?  
Should I buy a Tablet or an iPad?  
What is Excel and do I need it?

These and many other questions are frequently asked by people who want help with their shiny new smartphone, tablet or computer. Or are dusting off an old one. Or returning to Computer Friendly after a break.

You are invited to our **Computer Friendly Coffee Morning** at Fleetville Community Centre on Thursday 3<sup>rd</sup> January 2019 at 10:00-12:00

Meet some of the people who run the courses, visit our St Albans Centre and find out all the things you need to know about Computer Friendly.

To book for this free event just phone **020 3239 1559** (speak to a real person on Monday, Wednesday or Friday 10am-1pm or leave a message at other times) or email [\*\*courses@cfsta.org\*\*](mailto:courses@cfsta.org)

Come to this unique, free opportunity to find out how Computer Friendly can help you get connected and confident.
